

## 97378: Deville Multi Fuel Heater

### Direct Sales

Body Type:	Multi Fuel Heater
Hours From:	0
Condition From:	New and unissued

Just arrived from NATO reserve stocks, new and unissued, Deville Multi Fuel Heater. Featuring Blue Flame Technology this heater makes the most of the fuel using staged combustion to ensure the fuel/air mixture is optimized. The central inductor tube (Exclusive to Deville) allows complete combustion of the hydrocarbons using very high temperatures, resulting in no soot and a steady blue flame. Clean, silent, free from odour, simple to use, with very low fuel consumption thanks to the TOBY distributor.

Applications

Accommodation

Field hospitals

Military camps

Relief camps

Temporary buildings

Tents

Garages

Workshops

Log Cabins

Greenhouses

Marquees

Benefits

Blue Flame Technology

Deville burner blue flame with induction tube, rings and flame diffusers

Low consumption

No cleaning required (excluding annual maintenance)

Toby distributor with a very precise adjustment of flow rates

Accessibility to actuators

Great space heating

Cylindrical

Fuel Consumption: 1.5 Litre per hour

## Technical Details

### Standard

-

NF EN 1

### Connecting Chimney

-

### Top

### Dimensions (W x D x H)

-

600 x 950 x 1200mm

### Nozzle Diameter

-

153mm

Tank Capacity

-

29 Litres

Distributor

-

Toby

Fuel Consumption

-

2Ltr/Hr (Max) - 0.6Ltr/hr (Min)

Fuel Type

-

Diesel / Kerosene

Nominal Power Output

-

11-16Kw

Weight

-

70kg

Packing (W x D x H)

-

60 x 95 x 145cm

Comes complete with tool kit in packing case for shipping.
